\$848,000

3 Bedroom, 3.00 Bathroom, 1,104 sqft
Single Family

N/A, Brooklyn, New York

A rare find in Marine Park; a detached solid brick ranch on a tree lined block. This home is in excellent condition and is simply one of the cleanest homes I have ever seen. The top floor features a large living room, formal dining room, and eat in kitchen. There are 3 large bathrooms and immaculate bathroom. The hardwood floors glisten! The downstairs is set up as a great room; where you can have a home office/playroom for the kids and has wonderful ceiling height. The grounds are fabulous and there is a long 4 car private driveway and spacious yard. The lot is 40x100 and there is also a detached garage that is ideal for storing bicycles, sports equipment and gardening supplies. Convenient to beautiful parks, wonderful schools, shopping, and various houses of worship. Outstanding zoning which will allow an additional 1800 sq. feet of additional space to built; please consult your architect.

Built in 1970
