Set behind a classic brownstone façade and gated front garden, this boutique condominium has been masterfully reimagined for contemporary living. Penthouse Suite 4 is a striking three-bedroom, two-bath duplex offering soaring ceilings, oversized windows, and exceptional natural light. Wide-plank floors and a gas fireplace add warmth and texture, while the bold, modern kitchen features quartz countertops, new stainless steel appliances, a gas range, and dishwasher, perfect for effortless entertaining. A built-in Herido home audio system and virtual doorman provide seamless 21st-century convenience. On the first level, two rear-facing bedrooms open to a spacious balcony and the first of multiple private outdoor spaces. The main bath exudes luxury with rich brown and gold quartz tile, dual rainfall shower heads, and backlit anti-fog mirrors. Thoughtfully designed for comfort and functionality, the home also features central heating and air conditioning, in-unit laundry hookups within a dedicated laundry closet, and a clean, open layout throughout. The top-level bedroom (or ideal home office) features an ensuite bath and exclusive access to a private terrace, with additional access to the common rooftop deck just beyond.
