Co-Op

N/A, Brooklyn, New York

Enter into this studio co-op in beautiful Bay Ridge, that feels more like a 1 bedroom than a studio. This apartment has 3 distinct areas- a kitchen with an eating area, a living/bedroom and a dressing area with a door to separate it and totally renovated full bath from the rest of the apartment. There are 2 windows- 1 double in the living area and another in the bathroom. The view looks out to the neighborhood & is bright & sunny during the day. If you work remotely, you'll have an easy time setting up an office area as well. Additionally, there are 4 closets, one of them a double, so you have plenty of storage. This home is competitively priced & will sell quickly. Monthly maintenance of \$583.58 includes heat, real estate taxes & all water. This is a great studio in a financially & physically excellent building, where units rarely come on the market and is pet friendly too.
