Single Family

N/A, Brooklyn, New York

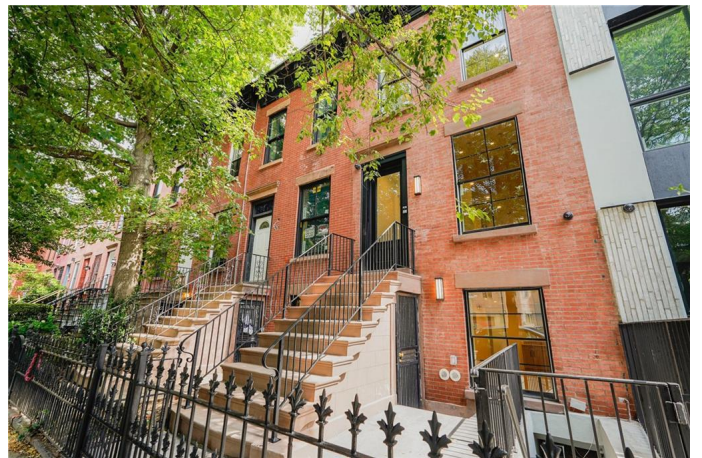

Tucked into the heart of Park Slope, this reimagined townhome welcomes you with timeless character and modern elegance across four thoughtfully designed levels.

You enter through one of three private entrances and enter into a warm, inviting garden level—where a cozy family room with a sleek wet bar sets the stage for movie nights. Just beyond, a private bedroom suite with its own full bath offers quiet comfort.

Downstairs, the finished cellar opens to a light-filled entertainment space with sliding doors that lead directly to a lush 450 sq ft backyard—your own slice of outdoor serenity in the city.

Upstairs on the main level, 10-foot ceilings and exposed original brick draw your eye upward as white oak herringbone floors guide you through an airy, open layout. In the chef's™ kitchen, natural Taj Mahal stone countertops meet high-end Viking appliances, blending beauty and function. The living and dining areas flow seamlessly to a 113 sq ft private deck—perfect for dinner parties or morning coffee.

On the top floor, the primary suite offers a peaceful retreat with a walk-in closet and a spa-inspired bath with double vanity and glass shower. A second bedroom, full bath, office nook, and another set of LG washer and dryer

round out the living space.

With Pella doors and windows, Mitsubishi cassette A/C, built-in surround sound, and a finished rooftop terrace, this home is not just a place to live—it’s a lifestyle. Just moments from Prospect Park, top-rated schools, charming cafes, and vibrant city life, this is Park Slope living at its finest. Subject to E&O.
