New Luxury Townhouse in the Heart of Staten Island – 3 Bed, 3 Bath

Welcome to this beautifully designed, brand-new luxury townhouse currently under construction in the heart of Staten Island.

Offering 3 spacious bedrooms and 3 bathrooms, this thoughtfully laid-out home features a first-floor bedroom and a finished basement with a 3/4 bathroom – ideal for home office, or recreation space.

Enjoy private outdoor living with a front yard, back yard, and a balcony/terrace on the second floor – perfect for entertaining or relaxing in comfort.

This fully electric, gas-free townhouse is built with sustainability and modern convenience in mind. The exterior showcases premium Thermwood panels by Luna wood and sleek stucco, complemented by energy-efficient Pella windows and terrace doors to ensure quiet comfort and excellent insulation.

Inside, you'll find engineered wood flooring throughout the bedrooms, spaces, and kitchenettes, with stylish porcelain tile in the bathrooms and washer/dryer closets. There is a hookup for an electric washer and dryer.

Don't miss this rare opportunity to own a stylish, well-appointed new construction home in one of Staten Island's most desirable neighborhoods!
