At 55 ft long, the house allows for 1650 SF of living space on 2 levels. Upon entering you are greeted by an open concept family room and dining combo. The oversized eat-in kitchen is at one end of the house with a door leading to a good-sized back yard for morning coffee and summer BBQ's. At the other end of the house, there is a storage room lined with closets for off-season fashion, along with the laundry and utility area. There is also a 3/4 bathroom on this level.
