5 Bedroom, 5.00 Bathroom, 2,496 sqft

Single Family

N/A, Brooklyn, New York

Welcome to 1463 East 4th Street, a detached one-family home in a prime neighborhood between M and N. Set on an expansive 30x100 lot, this three-story residence with a fully finished basement offers an abundance of space and incredible potential for customization.

The home features five generously sized bedrooms and four-and-a-half bathrooms, including a master suite with its own private bath. The second floor is designed with three bedrooms, while the third floor offers two additional rooms—ideal for a home office.

The fully finished basement is a standout, boasting soaring nine-foot ceilings, a large playroom, a full laundry room, and ample storage. With its flexible layout and impressive size, the basement can easily accommodate entertaining, recreation, or relaxing with family.

Additional highlights include split-unit air conditioning throughout, a private driveway for hassle-free parking, and a spacious backyard—perfect for outdoor dining or simply unwinding.

This home combines location, size, and unlimited possibilities. With the right vision, it can be transformed into the perfect dream residence. Shown by appointment only.
