Single Family

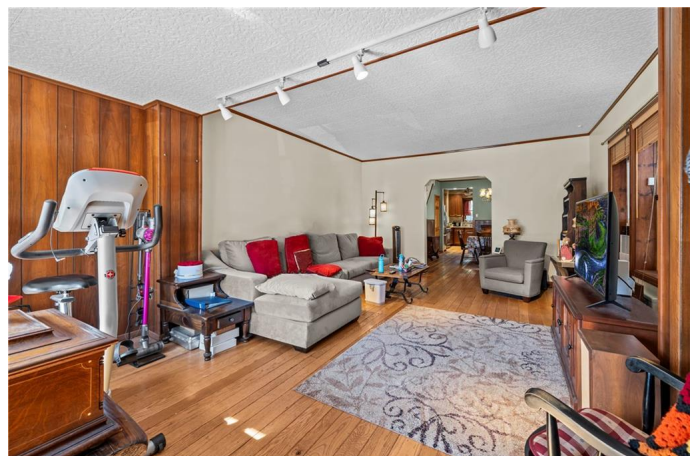

N/A, Brooklyn, New York

Welcome to this rare, semi-detached solid brick single-family home perfectly situated on a corner lot in the heart of Dyker Heights, Brooklyn. Distinguished by its classic architecture and highly sought-after private driveway and garage – a feature exclusive to corner properties of this style – this residence combines timeless character with everyday convenience. Spanning over 2,000 square feet across a four-bedroom triplex plus a fully finished basement, this home offers generous proportions and exceptional functionality.

The first floor welcomes you with a spacious formal living room, a formal dining room, and a large, updated kitchen that opens onto a beautiful deck overlooking the backyard – ideal for entertaining or relaxing outdoors. A powder room and gleaming hardwood floors complete this level. The second-floor features three spacious bedrooms, a full bathroom, and ample closet space throughout. The third floor adds an additional bedroom and flexible bonus space, perfect for a home office, playroom, or potential fifth bedroom.

The finished basement includes two separate side entrances – one leading to the front and another to the back of the property – offering versatility for recreation, storage, or a private workspace. Combining curb appeal, modern comforts, and a highly desirable layout, this Dyker Heights gem is truly one-of-a-kind.
