1 Bedroom, 1.00 Bathroom, 865 sqft

Co-Op

N/A, Brooklyn, New York

Top floor and approximately 865 square feet, Apartment F5 is a bright one-bedroom with a classic prewar feel and wide-open rooms. The layout features a long entry hall with arched openings and opens to a huge living room with two large windows, tall ceilings, and hardwood floors.

The windowed eat-in kitchen offers extensive wood cabinetry to the ceiling, a tile floor, dishwasher and range with an over-the-range microwave, a full-size refrigerator, and two lighting fixtures. There is room for a dining table in the kitchen.

The bedroom is exceptionally large and has three windows on two exposures, excellent cross-breeze, and a clear view of the Statue of Liberty, the Manhattan skyline, and the harbor. The bath is windowed and retains vintage mint tile with burgundy accents, along with a white vanity and granite style top. Closets are well distributed, including two near the foyer, a linen closet by the bath, and a large bedroom closet.

The building provides an elevator, multiple laundry rooms, an on-site super, and a parking garage with a waitlist. It is pet friendly. Subletting is allowed after living in the apartment for a set period of time.

Location is a standout. The building sits about minutes from the R train and from the express

bus to Manhattan, which makes commuting simple. Owl’s Head Park and the dog run are close by for green space and sunsets. The NYC Ferry at the 69th Street Pier is only a few moments away for a scenic ride to the city. Daily needs are easy with Met Fresh Supermarket nearby, and the heart of Bay Ridge surrounds you with its restaurants, bakeries, cafés, gyms, spas, and salons along Third and Fifth Avenues.

Apartment F5 has great bones, oversized rooms, and sweeping city and harbor views. It has been freshly painted and simply needs your TLC. This is a prime Bay Ridge home with real size, light, and convenience.
