Single Family

N/A, Brooklyn, New York

This two-bedroom, one-and-a-half-bath home sits on an oversized 20x110 lot, offering plenty of outdoor space and parking for multiple cars. The first floor features a spacious living/dining combo, a relatively newer kitchen, and a half bath. Upper level, you'll find two nicely sized bedrooms and a full bath. The basement is unfinished, offering additional storage or future potential. Enjoy both a front and backyard, plus a one-car garage in the rear. Located between Avenue S and Avenue T, with easy access to the B2, B3, and B100 buses. The home does need work but offers tremendous upside with remaining FAR and the possibility to add another bedroom upstairs (consult your architect).
